The Buckeye Miata Club (BMC) is a non-profit organization run entirely by volunteer members and officers who have no special or professional training in conducting driving trips or other activities. The BMC provides a variety of activities for its members, some of which, by their nature, can involve danger and risk. By signing this membership application, I voluntarily assume all risks involved and I, for myself, my heirs, executors and assignees do hereby release and discharge the BMC, its members and officers, from all claims for any accident, injury or death to my person or property resulting from my participation in any club activity. I further certify that I or any driver of my vehicle engaged in club activity has a valid drivers license and proof of insurance meeting at least the minimum insurance requirements of the State of Ohio for coverage in the event of personal and/or property damage. I understand that copies of the BMC bylaws and standing policies of the BMC are available from officers of the club upon request. I agree to abide by all the bylaws and standing policies of the BMC. Having read and understood this consent and release of liability, I understand its terms and enter into this membership.
