

Buckeye Miata Club

Car Talk and Coffee 2018 - 2019

BMC Members and Friends

Unfortunately winter will be soon upon us and like me, many of you are making plans to put your Miata to sleep for the winter. To get us through the cold weather we are planning another round of BMC Car Talk sessions. It's not the same as driving your Miata.....but we can at least we can talk about cars.

We have put together a schedule for eight Saturday morning sessions to get together to informally talk cars. Invite your friends.

What is it?

BMC Car Talk and Coffee is simply a chance to get out of the house on cold winter mornings, have a cup of coffee and breakfast, and talk about our Miata's and cars in general. The gatherings are open to BMC members and their friends. Discussions are very informal and seem to include topics including, but not limited to, the latest sports car news, performance tires, suspensions, exhaust systems, detailing etc. We would certainly like to have outside subject matter experts if you know of someone that would come to one of the sessions and impart some knowledge.

Over the years this has gravitated into pretty much a "guy" event but my wife Kathy will be glad to attend if she can and have coffee and breakfast with the significant others if you **let her know in advance you are coming.**

When is it?

Saturday mornings starting at 9:00 AM to about 10:30 or 11:00AM. Come and go as you please.

This year's schedule is:

November 3

November 17

December 8

January 12

January 26

February 9

March 9

March 23

Where is it?

La Chatelaine Bakery 65 W. Bridge St. SR 161 Dublin Ohio

(There is plenty of parking beside the restaurant. As you enter the front door our meeting area is generally in a separate room behind the curtain to your left. Grab some coffee and breakfast and come on back.)

If you have any questions or suggestions contact Kevin Rhodes 614-406-6069
