

BMC Friends;

It is time to think of holiday traditions. The Christmas lights of Clifton Mill is certainly one on them. Dee and I are inviting you to join a drive to the Mill for the lighting and then dinner at the Golden Jersey Inn north of Yellow Springs. All of this will happen on Sunday, November 25th. By that time the turkey will have been eaten, the horrors of Black Friday will be forgotten and the Buckeye victory over Michigan will give us a warm glow.

We will gather in the parking lot of Der Dutchman restaurant in Plain City at 4:15pm and leave by 4:30pm after a short meeting. The drive to Clifton will take 45 to 50 minutes. Parking is in a large lot behind the Mill. The lights come on at 6:00pm. We will leave the Mill at about 6:45pm and arrive at the Golden Jersey restaurant at about 7:00pm. They close at 8:00pm but are very relaxed about a leisurely finish for the meal. The weekend menu is [here](#). After dinner we will drive back to the Columbus area.

I need to know a head count please, for the restaurant. The trip is on unless there is torrential rain or dangerous snow. Please let me know **if you are going** by emailing [drman2@icloud.com](mailto:drman2@icloud.com). Thanks.

Dave and Dee Edwards
