Hello

I looked in to two hotels.

First is the Holiday Inn Express I have stayed in a couple times before. It is newly remodeled. The lady I talked to said it was almost done. Last July when we were there they were in the thick of it. The total price for 4 nights would be \$580.08. That is for 2 queen beds. That includes all taxes and fees. It also includes a \$40 per night discount I get for being a rewards member. The included breakfast is very good. Everyone will get my discount. My wife and I will be staying at the Holiday Inn Express. We like those hotels as we get older. If you decide to stay there let me know and I will make sure you get the discount.

The other place I called is Spirit of the Smokies condo lodge. It is across the main road from the Holiday Inn Express. For a King with jacuzzi or a queen with kitchen it would be \$314.08 total per room for 4 nights. There is no included breakfast and I have never stayed there. So I can not vouch for it.

Now all this being said, we do not need to say at the same lodging. So feel free to find your own accommodations. We can meet up anywhere for the daily drive.

My plan is to leave the morning of July 22 and return July 26. You can come late or leave early without any problem. My wife and I are going either way.

Please let me know if you have any questions.
